

August 28, 2008

To the members of the Zoning Committee
and the town Board of La Pointe:

As a long time taxpayer and summer
resident of Madeline Island, I would
like to register my opposition to
certain of the proposed changes
in the zoning map. It clearly
violates important parts of the
CAPP plan that relate to balancing
preservation and development.

I strenuously object to the
rezoning of Middle Road from
W-2 to mixed use.
