Dear Town Board of LaPointe,

As a home owner on beautiful Madeline Island, I strongly oppose any zoning changes within the town. While some change is important to the island, it is equally important to preserve the historic small town feel that uniquely draws patrons, new and old to the island in the first place. I am strongly opposed to any multi-family dwellings, resorts, hotels, motels, etc. Please keep the island the quaint, amazing place that it is.

Sincerely Yours,

Sheila Donohue Christensen
