Sirs:

As long time property owners in downtown LA Pointe, we are deeply concerned with the proposed zoning changes.

Specifically, we are strongly opposed to the rezoning of part of the downtown area from C-1 to R-2. We believe the unique atmosphere that Madeline Island possesses would be lost if hotels, motels, or multi-family rental units could be built in this area. Our historic home would certainly not fit into this type of atmosphere.

Thank you for considering our concerns

Sincerely

Madeline Beth Lewis

Sworn to in my presence this 28th day of August 2008.

Kathy Himes
