Town Planning Commission

Town of La Pointe

P.O. Box 270

(715) 747-6654

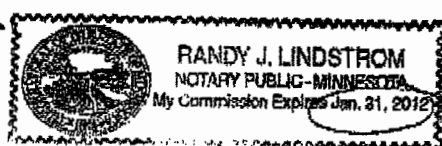

La Pointe, WI 54850

I understand that the Town Planning Commission is considering drastic changes to the town's Zoning Ordinance to allow (with a Use Permit) the construction of multiple (3 or more) Family Rental Dwellings and Dwelling Guest House Rental Dwellings and Resorts, Hotels, Motels in the downtown area which is currently designated a C-1 Zone.

As a property owner in the zone (I have one half interest in the single family dwelling located at 761 Main Street which my late wife's grandparents, John and Sarah O'Brien, had built in 1892-1894.) I strongly oppose the proposed changes to the Zoning Ordinance pertaining to the area.

PS. I am faxing this to you so you will have it before your meeting. The original or a hard copy will follow in the mail.
