Town Planning Commission
Town of La Pointe
P.O. Box 270
La Pointe, Wisconsin 54850

Ladies and Gentlemen:

My name is Molly Donohue Roe and I am a part owner in the Donohue/Mindrum house at 761 Main Street, La Pointe. Our house was built in 1894 and our family has been going up to Madeline Island since the middle 1850's. We have great love of and history with the island.

The purpose of my letter is to express my very strong objection to the proposed changes in the Town's zoning ordinance, including allowing not only rental of multi-family dwellings, but also resorts, hotels, and motels as permitted uses in these zones. These changes are extremely drastic in my eyes. The changes would take away entirely from the beauty, wonderful atmosphere and quality of life which make Madeline Island so unique, and so beloved by all those who live there, whether full time or part time.

In addition, it seems very likely that these changes to the Town's zoning ordinance would have great potential to increase property taxes, when they are already exceptionally high.

Please seriously consider voting down these zoning changes for the sake of the majority of the residents of Madeline Island. It seems the only persons who would benefit would be the small group of investors involved.

Please present this letter with others at the public hearing scheduled for Wednesday, September 3 at 5:00 p.m. at the Town Hall. Thank you.

Sincerely,

Molly Donohue Roe
