Town Board Supervisor Jim Patterson was appointed to look into this issue due to the ZA recusing herself on this matter. Patterson explains, as stated in a packet he prepared for the TPC dated March 3, 2009, that he met with Mr. Nelson and that he researched the original 1987 permit and due to Section 8-3(3) substantial completion, no new permit is required for the addition as it is within the scope of the original permit.

Chair submits a revised "4.3 Supplemental Regulations, 4.3.4 Camping On Private Lands" with the change of "180 days" in subparagraph B (this document is on file in the Official Zoning Minutes Book). ZA asks for clarification on the process this ordinance is taking regarding whether it is a text change or an Ordinance Revision. Chair explains his reasoning. Confusion presents itself on this matter.

R. Harrold moves to accept the draft of 4.3.4 Camping On Private Lands and recommend to Town Board. R. Madich seconds. All in favor, 7 aye.

**b. Proposed New Ordinance § 4.3(3) Non-Conforming (Grandfathered) Lots**

**DRAFT**

**c. Proposed Revisions to § 3 Zoning Districts (definition, dimensional requirements and permitted and conditional uses.) including Shoreline and Flood Hazard Overlay District (tabled from February 4, 2009)**

The initial question is whether to have the proposed Scenic Shoreline Overlay District. M. Starck submitted a document on March 3, 2009 to the TPC suggesting changes to the Zoning Districts, namely the R-1 and R-2 zones. Commissioner Starck is suggesting making the changes within the current districts as opposed to creating the new Overlay District. Discussion follows. The need for a definition for the use “private recreational facilities” is concluded. Double and Multi family dwellings in the R-1 and R-2 zones as Conditional Uses are contemplated. Discussion continues on this matter with each Commissioner expressing their opinion on the proposed zone.

M. Starck moves that in R-1 take out the note that refers to Scenic Overlay district, delete Mobile Home Park as a Conditional Use, delete Travel Trailer Parks/Campground as a Conditional Use, add the footnote that any Multi-family dwellings require the minimum acreage and shoreline times the number of residential units. G. Thury seconds. All in favor, 7 aye. Chair will draft the appropriate language to match the intent for the next meeting for Commissioners to review.

M. Starck moves to change the matrix for R-2 to take out Double Family and Multi Family as Conditional Uses. G. Thury seconds. All in favor, Motion Carries. Chair will modify the language. It is decided to add “existing” before “rental” in the R-2 zone. ZA requests that “transient rental” is addressed in the Ordinance.
