

Playground Equipment
Compost Containers
Picnic Tables
LP Storage Tanks and Fuel Oil tanks used for heating
Garbage and Refuse bins

Dwelling, Double Family:

A structure on one plot of land containing separate living units for two (2) functional families which may have joint services of facilities

Dwelling, Multifamily:

A structure on one plot of land containing separate living units for more than two functional families which may have joint services of facilities

Mixed Use District:

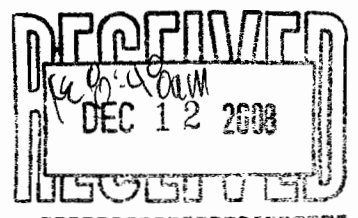

This district is intended to provide for the limited and controlled expansion of businesses and commercial enterprises on land parcels. A Conditional Use Permit is required for all such land uses.

Guest House:

Guesthouse: A single structure used for habitation other than the principle dwelling on a plot of land. Guesthouses shall not have a living area greater in floor area than the principle dwelling structure. Rental of guesthouses for use by one functional family unit or no more than four unrelated persons who do not normally function as a family unit is permitted for continuous periods of up to six (6) months from November 1st to May 1st of the subsequent year and for periods of no more than thirty (30) continuous days by a single functional family or party of no more than four unrelated persons who do not normally function as a family unit from May 1st to November 1st. There shall be no more than one Guest House for a residential property.

Functional Family:

Two or more persons who may or may not be related who normally live together and share a residential dwelling.
